Photo on the day of the exam:

If you are going to do the CAE (C1) or the CPE (C2), **you must agree to have your picture taken on the day of the exam. If you do not agree, Cambridge will not correct your exam and you will not receive a certificate.** This photo will be sent along with your exam fulfilling the regulations of Cambridge University. There is a form at the end of this document to formalize this agreement. In some cases, we may ask FCE (B2) to have their picture taken as well.

Informative notes

Ensure that you have signed up for the correct exam. Once the enrolment period is finished and the entries have been sent to Cambridge, Cambridge does not permit any candidate to change the level of the exam nor the session of the exam they have signed up for.

You can **cancel** the enrolment only up until the day the period of enrolment has closed. In this case, you will receive the fee you paid. After that date, no cancellation or refund will be permitted except in the case of illness, and only then when handing in medical proof.

Each student will receive a timetable of the exams (*Confirmation of Entry*). If 21 days before the date of the written exam you still have not received it, **it is the responsibility of each student** to get in contact with **The English Institute** in order to find out the exact times and dates. In the case of **Computer-Based Exams**, you will be sent the timetable a week before the date of the written exam. If you have not received it by 4 days before the exam, please contact us.

There exists the possibility, but no guarantee, of being able to change the date and time of the speaking exam, taking into consideration that once the programme has been set up, any change of one candidate will have to be agreed upon with another candidate, since they will have to exchange their times with each other. However, no candidate can ask for times or dates outside the set examination period.

The date of the written exam cannot be changed given that it is the same for all countries in the world.

The Speaking exams for CPE (C2), CAE (C1), FCE (B2), PET (B1) and KET (A2) will be done in groups of two, and only in exceptional cases, groups of three.

****** VERY IMPORTANT ****: Candidates should arrive 15 minutes before each part of the exam, and have with them the *Confirmation of Entry* and a current picture I.D. THE I.D. (GENERALLY, “DNI” OR PASSPORT) IS ABSOLUTELY NECESSARY ON THE DAY OF THE EXAM. IT MUST BE VALID AND THE ORIGINAL DOCUMENT. A PHOTOCOPIED VERSION OR ONE SCANNED IN DIGITAL FORMAT ARE UNACCEPTABLE.**

Before each part of the exam, all the candidates will be told to leave all personal belongings in a designated place. They will only need the following items: **pen, pencil (types B or HB), rubber, pencil sharpener, Confirmation of Entry and I.D.**

The date when the results will be available on-line is mentioned on the Confirmation of Entry. The person that collects the certificate must show a picture ID.

The decision of Cambridge University on the results of the exams is final and in no case will it return the exams to the candidate. If the candidate believes there is a mistake in their results, he/she should follow the steps explained in this web page: <http://www.cambridgeenglish.org/help/enquiries-and-appeals/>.

In case you have any doubts, please contact our **Exams Department** from Monday to Friday, by calling us at **965781026** or through e-mail cambridgeteidenia@gmail.com.

The English Institute is authorised by
Cambridge Assessment English (ES460)

Picking up certificates:

On the *Confirmation of Entry*, you will find the date Cambridge plans on publishing the results of your exam.

Once the certificates themselves have arrived in our office, the candidate, having been informed via text message, will need to come in person to The English Institute showing **a valid ID** in order to pick up their certificate.

If for any reason the candidate cannot come in person, he/she could authorise another person to pick it up in their place. This person must show **their own ID** and a **written authorization made by the candidate** and needs to be **informed of the level and the date of the exam**

Below you will find a model authorization which you can print or copy.

*In the case of signing up through your preparation centre, you should ask your school whether or not you can pick up the certificate at your own centre without having the need to travel to The English Institute.
